RE: Road Closures

To whom it may concern,

Jackson County Parks and Rec has approval of Longview Community College to close (using barricades) Longview Road south and north of Fascination Drive, and Fascination Drive west of Longview Boulevard to set up and stage the "Trip the Light Fantastic" bike ride on the evening of Sunday, November 19, 2023.

We foresee no issues on our end with the street closing for this event.
