RE: **Response to MEP inspection comment November 1, 2023**
John Knox Village – Salon Redesign

Below you will find our responses to your review comments.

MEP Inspection

1. Request to show design of routing the exhaust for the Healthy air system out the wall and through the existing patio soffit as currently installed.

Action required: Submit design drawing.

Response:
- Refer to M201.

End of comments.

If you have any questions, please let me know.
