Lee's Summit, Missouri  
Geotechnology, LLC. Project Number: J040917.07

Dear Ms. Bloom:

This letter will confirm that Geotechnology, LLC has been selected to perform Materials Testing and Special Inspections on the above referenced project for the items listed below. These services will be conducted in accordance with the provisions of Chapter 17 of the 2018 International Building Code. The activities that we have been contracted to observe include the following:

Engineered Fill  
Testing of Portland Cement Concrete  
Testing of Asphaltic Concrete

Any changes to our scope of services will be subject to the client's acceptance of an amendment to our contract. Please contact Geotechnology if you have any questions about this letter.

Respectfully submitted,

**GEOTECHNOLOGY, LLC**

Steve Birtz, Project Manager
