EXCAVATOR RESPONSIBILITIES			
* This ticket number serves as proof of your request and is valid for as long as markings remain visible and usable. You are only required to request a 'Rebcate' when markings become unusable due to work or weather or if your work does not begin within 10 working days.			
* It is the excavator's responsibility to determine which utilities have, or have not, responded prior to beginning excavation. If any utility has not responded by 1/18/24 8:00 AM you are required by law to report a 'No Response'.			
* Any damage or disturbance of any buried utility during excavation must be immediately reported, as required by law, by calling 800-344-7483 and filing a 'Digap' ticket.
