To Whom It May Concern,

RE: Summit Homes  
Highland Meadows; Lot #187  
2764 SW 11<sup>th</sup> Street  
Lee's Summit, MO

Per request, this letter is meant to inform all parties that the sewer utility installation was performed on August 2, 2023 with the inspection being called in around noon of that day. The installation was performed to all current municipality codes with proper slope and protected with gravel. The inspection was passed by the City of Lee's Summit inspector and the installation was backfilled.

Sincerely,

  
Lindsee Narron, Office Manager  
Reliable Mechanical Services, Inc.
