

Supporting individuals with disabilities in directing their own lives as valued members of the community.

February 26, 2024

City of Lee's Summit

To Whom it May Concern,

The Arc of the Ozarks provides a variety of services to support individuals with disabilities. This office will house the administrative team for the K.C. Division. In addition to administrative functions, we may from time to time have the following occasional activities for those individuals we serve. These include training classes for our staff as well as, music therapy, day programs, assessments, cooking classes, etc. for the individuals we serve. The cooking classes are geared to helping individuals with disabilities learn how to prepare meals in a kitchen setting that is similar to what they would have in their own homes.

Sincerely,

Michael H. Powers
President/CEO
