Conditions of Approval (if required):

Planning Review (SE)	Hector Soto Jr. (816) 969-1238	Senior Planner Hector.Soto@cityofls.net	Denied
-----------------------------	-----------------------------------	--	--------

1. See comments from both the Fire Dept and Police Dept regarding the proposed SW Market St closure. Staff could support shifting the location to SW Main St similar to last year's event.

Traffic Review (SE)	Susan Barry, P.E. (816) 969-1800	City Traffic Engineer Susan.Barry@cityofls.net	Denied
----------------------------	-------------------------------------	---	--------

1. Lots of issues with this submittal. Not enough detail on their "map". They show carnival rides and parking in the same area, which is not very large. Need to shut off an entire block and provide a detour. If only part of a block is closed, need to allow for vehicles to turn onto another road rather than a u-turn.

Fire Review (SE)	Jim Eden (816) 969-1303	Assistant Chief Jim.Eden@cityofls.net	Denied
-------------------------	----------------------------	--	--------

1. Block off SW Main instead of SW Market.

Codes Review (SE)	Tracy Deister (816) 969-1203	Codes Administration Manager Tracy.Deister@cityofls.net	Pending
Police Review (SE)	Hector Soto Jr. (816) 969-1238	Senior Planner Hector.Soto@cityofls.net	Denied

1. The Police Department does not support the closing of SW Market St for the proposed event. Police would support shifting the event to SW Main St due to that option having less of an impact on downtown traffic circulation and access.
