A Certificate of Final Acceptance is hereby released for the above mentioned project. All of the infrastructure on the approved engineering plans have been installed and tested and are accepted as public Infrastructure. Damage to the public infrastructure or changes to the plans or site grading by the developer, contractor or builder will be the responsibility of the developer, contractor or builder to correct.

The City will re-inspect the project prior to the expiration of the maintenance bond(s) as described in Ordinance No. 5813. Maintenance Bonds shall be for duration of three (3) years from the date of substantial completion. The City shall send written notification to the above named Contractor/Developer listing any defects discovered as a result of this inspection. Contractor/Developer shall have the opportunity to immediately correct any defects at his expense, otherwise City shall make a claim against the maintenance bond(s) prior to its (their) expiration to finance the correction of said defects.
