**Re: Sequoia Townhomes – 205 & 207 SW Orchard Court
PRRES20240700**

To whom it may concern,

The developer wishes to show a rest room on the basement level instead of a stub in for the future. Sheet A100 has been revised to show the rest room and a wall between the basement and the mechanical area.

If there are any questions, please let me know.

Yours truly,

Albert Hermans, P.E.
