Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Thursday, July 11, 2024

Corrective Action Required

1	Misc	AM Site Visit - I spoke with Manny the foreman over the project and asked if they would get us as-built's for the main that's going in the critical areas. Manny mentioned most of the areas they are closer to 6ft in-depth. Manny said he would get us bore logs for the depths for he critical areas. The Spire rep was onsite and I asked if he would get us the as-built for the work also. Manny also mentioned they would be even deeper on the tunnel side to possibly 20ft.
