Rejected

1. Provide clarification about what is being requested. You have selected "monument/detached sign" but reference a banner which is a temporary sign.

Also, refer to temporary sign regulations in our Unified Development Ordinance as the property would be allowed one temporary sign and it must be on-premises and would be allowed to be posted for 90 days.

2. Provide the Sign Permit Authorization which is typically the second page of the sign permit application.

1. A lot of the attached documentation still seems to be requesting more signs than allowed. Remove any attachments that are no longer applicable. Refer to temporary sign regulations in our Unified Development Ordinance as the property would be allowed one temporary sign and it must be on-premises and would be allowed to be posted for 90 days.
