Sign Permit Review

Reviewed By: Adair Bright

Rejected

1. Upload completed Sign Permit Authorization form.
2. Per the approved signage plan, tenants smaller than 5,000-sf. are permitted one sign per facade for a maximum of three signs. You are showing five signs, potentially six. Please provide dimensions for the "Drive-Thru" sign.
3. The site plan showing the monument sign location shall identify any easements and site triangles.
4. Internally illuminated signs with a white background are prohibited per our Sign Code. Please adjust the monument sign face.

Also, monument signs require a minimum of 25-sf. of landscaped area, exclusive of the sign structure, around the base of the freestanding sign and the sign base shall have a masonry or concrete substructure with an exterior base consisting of durable masonry materials.
