Inspection:	Inspector:	Outcome:	Date:
<b>Erosion Sediment Control (ESC) Inspection</b>	Devon Perry	Partial	Friday, October 18, 2024

Informational:

1 Misc

10-17-24 DP. Advanced Excavation is onsite and breaking and grinding rock on the South side of Colburn Rd. I was called by Kara with PW about rock dust control. They have a hydrant meter onsite and ran a second hose to help control the dust. Yesterday afternoon I got a call from Joe with PW about more dust complaints. Norm with AE said they would have a water truck onsite today to water down the areas truck are driving.
