Informational:

1 Misc

9-10-24 DP. No ESC issues at this time.

11-19-24 DP. No obvious ESC issues at this time. I did notice a lot of the silt fence is down now with areas not vegetated up hill from it. The silt fence along Pryor Rd and up towards the shell building could use some fixing.

12-5-24 DP. There are some erosion control issues that need addressed listed on the punch list. Please confirm that these issues are complete by the first of the week. DNR audits start next week.
