1	Misc	Site visit. I was out today 12-17-24 to do the inspection. Rodriguez underground was out working along Lakewood Way, heading north. As of today their insurance is incomplete and they are not allowed to be working until this is resolved. I did ask them to stop working until we have the correct insurance policy. This is required by the City of Lee's Summit law department. I will continue to monitor this site.
2	Misc	Site visit. No workers present. I will continue to monitor.
3	Misc	Site visit. No workers present.
