Revisions Required

One or more departments have not approved the permit and the following is a list of requirements from the City of Lee's Summit that have not been satisfactorily addressed in the plans and specifications. Please address the comments as requested and upload the revised documents and /or additional information to the application through the online portal. Please contact the appropriate department regarding clarification of comments.

Development Services Department (816) 969-1200

Fire Department (816) 969-1300

Sign Permit Review

Reviewed By: Adair Bright

Rejected

1. Please refer to the Summit Fair Tenant Sign Criteria for limitations on max letter height based upon lease area.
2. Since the approved sign plan does not specify quantity of signs, that standard will revert back to our UDO requirements which allows for a maximum of two signs.
3. Confirm that RED Development is okay with the sign placement on the front.

Sign Permit Review

Reviewed By: Adair Bright

Rejected

1. As stated via email, wall mounted signage must be illuminated, please update the sign specs on the rear of the building.
2. Our sign code specifically prohibits cabinet signs that are internally illuminated and have a white background. Please revise the blade sign so the background is not white.
