UES Project Number: A25129.00073.000

Dear Mr. Frogge:

This letter will confirm that UES Professional Solutions 25, LLC dba UES has been selected to perform Special Inspections on the above referenced project for the items listed below. These services will be conducted in accordance with the provisions of Chapter 17 of the 2018 International Building Code. The activities that we have been contracted to observe include the following:

Engineered Fill
Foundation Bearing Materials
Reinforced Concrete

Structural Steel Construction
Structural Masonry
Post-Installed Anchors

We understand that the scope of services indicated above is subject to your interpretation of the code requirements. We have assumed that the structural steel and wood truss suppliers have certified fabrication shops. Any changes to our scope of services will be subject to the client's acceptance of an amendment to our contract. Please contact UES if you have any questions about this letter.

Respectfully submitted,

UES

Peter F. Brull, P.E.
Senior Engineer

cc: Mr. Randy Barnett – Barnett Contracting, LLC
