Before opening to the public, the tent must be inspected by the City of Lee's Summit Fire Department and Development Services. Inspections can be scheduled by calling (816) 969-1300. All inspections are conducted from 8 a.m. to 5 p.m., Monday through Friday.

Utility locates must be performed before driving any generator grounding rods or tent stakes into the ground. Call 1-800-344-7483 (DIG-RITE) or 811, "Before You Dig." This is required by law!

The combustible ground cover must be sprayed with an approved flame retardant, and documentation of this must be kept at the tent
