Mr. Elam,

Please accept this letter as confirmation that KTI has been employed to provide Special Inspection Services for the above-referenced project. At this time we anticipate the following Special Inspections to be required.

Placement of Reinforced Concrete
Testing of Reinforced Concrete
Placement of Reinforcing Steel
Bolts in Concrete
Post Installed Anchors
Verification of Soils
Soil Bearing Capacity
Engineered Grading and/ or Fill
Bolted Connections
Structural Welding
Steel Frame Inspection

Should any additions or changes to these requirements occur during the project, we would notify your office as soon as those changes are identified.

Sincerely,
Kruger Technologies Inc.
