Address: 100 NE ALURA WAY, LEES SUMMIT, MO 64064

This work has been inspected and the inspection results noted below. Please schedule inspections once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit	Devon Perry	Partial	Friday, May 16, 2025

Informational:

1 Misc

5-12-25 DP. I saw ESS on site today. They had a bulldozer running up and down the detention basin wall. I also notice that the detention basin is holding water. I am sure they have more work to complete, but we need to keep up on erosion control around the stock piles and nonvegetated area whether or not that is the erosion mats or silt fence as we have a multiple days of rain coming this next week.
