Rejected

1. DRIVEWAY/PARKING LOT SIGNS. The two proposed post and panel signs providing internal wayfinding are allowed a maximum overall height of 30", measured from finished grade, per the City's sign code. The sign specifications show both signs having an overall height of 40". Both signs shall be reduced in height to 30" in order to comply with the sign code.

The review conducted by the City of Lee's Summit Development Services Department shall not be construed as a structural review of the project.
