Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Wednesday, May 28, 2025

Corrective Action Required

1	Misc	Site visit - the approach met requirements for depth and compaction. The existing sidewalk panels that meet the approach will need to be torn out due to being damaged. They will pour the approach and come back to replace the damaged sidewalk panels. I spoke with Colby about the panels. I marked the panels with pink paint.
