

Substantial Completion and Temporary Occupancy Extension Request

| | |
|---------------------------------------|--|
| Permit Number PRRES20250131 | Date 15 June 2025 |
| Project Name Workshop | Project Address 1932 SW Merryman Drive Lee Summit MO 64082 |

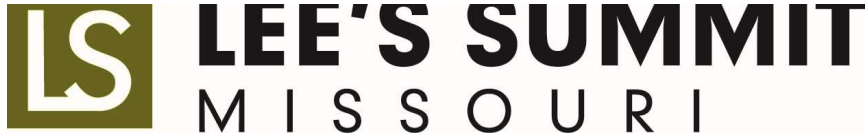

Instructions: This form must be completed to request the extension of additional time on a project.

Reason for Delay:

Provide a brief description of why the remaining items of work were unable to be completed during the initial completion period.

The work has not been finished for a couple reasons. I was unaware I had 180 days to complete the project. I have been constructing the workshop from scratch and I was building the cabinets which prevented me from installing the under cabinet lighting, which is the only item left to do before scheduling the final inspection. The upper cabinets are done but an injury to my hand is now preventing me from finishing the work expeditiously.

I invite the building codes enforcer to stop by to visually check up on the work. All I would need is a date and time.

Schedule for Completion:

Provide a brief schedule of expected completion dates for the remaining corrective actions not yet complete. Inspections may be viewed by visiting this link and inputting the permit number:

<https://devservices.cityofls.net/Permit/Locator>

I am not sure on the recovery time of my injury but I am assuming a 90 day should be sufficient.
