RE: Plan Review Conditions  
Subject: Lee's Summit Joint Operations - PRCOM20245783

To whom it may concern,

Attached in a separate document are the revised clean agent fire suppression plans reflecting the review comments made by Craig Hill with Lee's Summit Fire Department Prevention Division dated 5/13/2025. Below are Keller Fire & Safety's (KFS) responses to those review comments.

1. Action Required: Provide code reference for extinguishing system.
  - a. KFS response: Provided on plans, pg. FS001 under "General Electrical Notes".

Best Regards,
