

PUBLIC WORKS ENGINEERING DIVISION

Inspection Summary

Permit #:PRPWRW20252480, Public Works Right of Way Permit
Address: 1928 SW RIVER RUN DR, LEES SUMMIT, MO 64082

This work has been inspected and the inspection results noted below. Please call for re-inspection once all corrective actions have been completed. Do not cover any work until approved.

Inspection:	Inspector:	Outcome:	Date:
Site Visit Inspection	Matt Munger	Partial	Tuesday, June 24, 2025

Corrective Action Required

1	Misc	6/26/25 ECC has started work the incorrect job site without a permit. This location was the only approved site. ECC was informed they cannot work at this location until the other job is complete as we have to approve where they move next.
---	------	--

Corrective Action Required

2	Misc	The work has been completed. I spoke with Jason with ECC and he confirmed they had been out there Friday working. There may have been some confusion as to when the work had taken place prior to this. But the contractors have completed the work. I will monitor restoration. The Stop Work Order has been lifted.
