Project Address: 2840 SE BLUE PKWY, LEES SUMMIT, MO 64063

Project Parcel #: 60520010101000000

This Certificate of Partial Substantial Completion for the Sanitary and Water infrastructure

associated with the above referenced project satisfies the Development Services portion of the requirements for a Temporary Certificate of Occupancy. All infrastructure for this site has been installed and tested and can be used for its intended purpose. Incomplete items will be indicated in the punch list. The punch list will indicate corrections and documentation that must be completed in order to receive a Certificate of Final Acceptance from Development Services. Final Acceptance from the Development Department is required in order for a Certificate of Final Occupancy to be issued from the Codes Administration Department.

Public Infrastructure Quantity

| | |
|----------------|--------------------|
| Sanitary Sewer | __ linear feet |
| 8" PVC | _1545_ linear feet |
| 6" PVC | _202_ linear feet |
| Stormwater | __ linear feet |
| Street | __ linear feet |
| | |

| | |
|-------------|------------------|
| Water | __ linear feet |
| 8" PVC C900 | _60_ linear feet |
| 4" PVC C900 | _35_ linear feet |

Erosion and Sediment Control

Erosion and sediment control must be established/installed according to Lee's Summit's Design and Construction Manual Sections 1000, 2150, and 5100. Erosion and sediment control must be established/installed immediately and maintained continuously - the 90 day completion period which may apply to other punch list items does not relate to erosion and sediment control.

If you have any questions about the above or any items listed on the Punch List please contact **Dustin Agcopra**, Field Engineering Inspector, at (816) 969-1207.

By signing this letter, the permit holder acknowledges the receipt and accepts the terms of this Certificate of Substantial Completion.
