1. With Tract B being split, the new tracts should be named **Tracts B1, B2, and B3**. This will help clear up any confusion since Tracts A and C already exist within Hook Farms.

The Tract table will need to be updated as well to reflect the names.

2. Update the signature block: Tracy L. Albers, Director of Development Services.

3. Update sheet size to 24x36

4. Include a note for the location of any oil and/or gas wells, if any, based on available information.

1. Plat name is not valid as it is, since it is not unique. Suggest **Hook Farms Tracts B1, B2, & B3"**

2. Row was taken in 2024 that is not factored in on this plat. See doc 2024E0025707
