Re: Application for Construction Permit – Sewer Extension
City of Lee's Summit (Wilshire Hills-Phase 1)

To Whom It May Concern:

The City of Lee's Summit has received a development proposal (i.e., sanitary sewer plans) within the above referenced subdivision dated February 22, 2012. This plat requires the extension of public sanitary sewer mains. The enclosed Application for Construction Permit requests this extension.

The following information is provided in support of this application:

1. Justification: The extension is required to serve the proposed subdivision. The site is within the Lee's Summit corporate boundaries and is, therefore, eligible for sanitary sewer service.
2. Certification of Compliance: The proposed system has been designed in accordance with the City of Lee's Summit's current design criteria. The design engineer and contractor will comply with all applicable laws, regulations, ordinances, and codes bearing on the sanitary sewer extension.
3. Continuing Authority: The City of Lee's Summit – Water Utilities Department shall serve as the continuing authority for the operation, maintenance, and modernization of the facility for which this application is made.

If you have any questions, please contact me at (816) 969-1800 or by e-mail at david.lohe@cityofls.net. If you have technical questions relating to the engineering plans, please contact Mr. Matthew Kriete, P.E., of Engineering Surveys and Services, Inc. at 573-449-2646. Thank you for your assistance in processing this application.

Sincerely,

David Lohe
