Application Name: Waterway Streets of West Pryor - Lot 11

**Location:** 1000 NW PRYOR RD, LEES SUMMIT, MO 64081

### **Electronic Plans for Resubmittal**

All Planning application and development engineering plan resubmittals shall include an electronic copy of the documents as well as the required number of paper copies.

Electronic copies shall be provided in the following formats:

- Plats All plats shall be provided in mulit-page Portable Document Format (PDF).
- Engineered Civil Plans All engineered civil plans shall be provided in multipage Portable Document Format (PDF).
- Architectural and other plan drawings Architectural and other plan drawings, such as site electrical and landscaping, shall be provided in multi-page Portable Document Format (PDF).
- Studies Studies, such as stormwater and traffic, shall be provided in Portable Document Format (PDF).

Please contact Staff with any questions or concerns.

#### **Excise Tax**

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Development Services Department at (816) 969-1200.

## **Review Status:**

# **Required Corrections:**

**Engineering Review** Susan Nelson, P.E. Senior Staff Engineer Corrections

(816) 969-1229 Susan.Nelson@cityofls.net

1. Revise the grading plan to accurately show the existing grading and the proposed grading. As indicated in the engineer's email, this project will tie into the existing grading on the adjacent north lot. Please show the existing contours on the adjacent north lot and the proposed contours for this project with appropriate line weights.
