**Re: Dillons / Neighborhood Meeting / REVISED TO CHANGE DATE OF
MEETING FROM MARCH 19, 2026 TO MARCH 5, 2026**

Dear Property Owner:

Per our previous correspondence, we represent The Phillips Edison Group LLC concerning property located generally at N.E. Douglas Street and N.E. Tudor Road. We submitted applications to the City of Lee's Summit for approval of a Rezoning (from PI, PO and RP-4 to CP-2) and Preliminary Development Plan. The date of the Neighborhood Meeting has changed from March 19, 2026 to March 5, 2026. This letter provides notification of that change.

Approval of our applications will allow for the development of approximately 9.286 acres for a Dillons grocery store and other retail uses. A copy of the plans is enclosed with this letter.

You are receiving this notice in accordance with city code that requires a neighborhood meeting with adjacent property owners within 300 feet. This public meeting is an opportunity for you to come learn more about the Dillons Grocery Store and discuss this plan with the developer's representatives.

The meeting will be held on March 5, 2026 at 6:00 p.m. at the Missouri Innovation Campus, 1101 NW Innovations Parkway, Lee's Summit, Missouri 64086; Room B252 (map attached). Note this changes the date of the meeting.
