Analysis of Final Plat:

Planning Review	Hector Soto Jr. (816) 969-1238	Senior Planner Hector.Soto@cityofls.net	Corrections
------------------------	-----------------------------------	--	-------------

1. PLAT TYPE. The plat drawing was submitted with a label of "Minor Plat" at the top of the page above the plat title. The subject plat must be a final plat (as opposed to a minor plat) because this plat includes the dedication of right-of-way, which can only be dedicated via a final plat. Change the plat label at the top and in the title block to read "Final Plat". **Top title and title block changed to "Final Plat"**
2. LOT AREA. Include a label for the lot size in square feet (in addition to the listed acreage). **Done**
3. SIDEWALKS. As an industrial street, 5' sidewalks are required along both sides of the proposed NE Cargo Dr right-of-way. Add the required sidewalk along the west side of the street. **Sidewalk on west side added; stops at temporary cul-de-sac**
4. BUILDING SETBACKS. Add the City's standard building line dedication paragraph to the plat. **Done**
5. CITY SIGNATURE BLOCK. 1) Revise the Planning Commission Secretary's name to read, Charles E. Touzinsky, III. 2) Replace Aimee Nassif's name and title with the name and title of Tracy L. Albers, Director of Development Services. **Done**
6. ADDRESSING. Add the following address label to the lot: 2711 NE Cargo Dr. **Done**
