Subject: Sign Application for Big Lots

We received your sign application for Planning Commission consideration of the monument sign for Big Lots at 901 SE Langsford Road. The application cannot be reviewed until we receive a site plan, showing lot dimensions, setback distances, and utility easements. Of particular concern is where the proposed sign will be located in relation to any utility easements or utility lines on the lot.

The application was received on Friday, Dec. 21. It can be on the Feb. 12 Planning Commission agenda if we receive the required information in the next week. Please call me if you have any questions.
