Fax #: (573) 814-1128

From: Gene Williams, P.E., Senior Staff Engineer

Application Number: PL2015067

Application Type: Engineering Plan Review

Application Name: Summit Innovation Center - Public Street, Stormwater, and Erosion and Sediment Control

The Public Works Department has received payment in the amount of \$36,411.20 for the Engineering Plan Review and Inspection Fee and therefore approves the engineering plans dated and sealed on July 6, 2015 for the above referenced project. The following conditions must be satisfied prior to the start of construction.

- 1. Contact Public Works Inspections (816) 969-1800 at least 48 hours prior to the onset of construction.**
2. Contact the Right-of-Way Inspector at (816) 969-1800 prior to any land disturbance activities within the rights-of-way. These activities may require a permit.
3. Any public improvements will require a set of record drawings in electronic (i.e. TIF file) format prior to the issuance of a Certificate of Final Acceptance. One (1) half-size (11"x17") set of record drawings (including the Master Drainage Plan if applicable) and two (2) copies of the record drawings on CD ROM are required.
4. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.

If you have any questions or comments, please contact me, Gene Williams either at (816) 969-1800 or e-mail to Gene.Williams@cityofls.net.

Sincerely,

Original Signed

Gene Williams, P.E.
Senior Staff Engineer
