Re:

Application Number: PL2015160
Application Type: Commercial Final Development Plan
Application Name: SUMMIT FAIR SHOPPING MALL BUILDING E
Location: 820 NW BLUE PKWY, LEES SUMMIT, MO 64086

Excise Tax

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Permitting and Plan Review Division of the Codes Administration Department at 816-969-1200.

Review Status:

Approved: See below for any conditions of approval.

Required Corrections:

Planning Review	Hector Soto (816) 969-1604	Planner Hector.Soto@cityofls.net	Approved with Conditions
------------------------	-------------------------------	-------------------------------------	--------------------------

1. TRASH COMPACTOR SCREENING. Staff does not have the authority to approve the proposed temporary wood fence screening. The use of wood can only be approved by the City Council as part of a public hearing process, which requires submittal of a separate application and fee. However, staff does have the authority to administratively approve (i.e. no City Council approval required) any of the following types of temporary screening materials: vinyl fence, masonry wall, metal panel screen or fiber-cement panel screening. Please submit 3 copies of Sheet A303 only that reflect the revision of the screening material to one of the options that staff can administratively approve.

Engineering Review	Gene Williams (816) 969-1812	Senior Staff Engineer Gene.Williams@cityofls.net	Corrections
---------------------------	---------------------------------	---	-------------

1. Cost estimate needs revision as per email dated Dec. 17, 2015

2. Awaiting permission from engineer to redline plans as per email dated Dec. 17th, 2015

Fire Review	Jim Eden (816) 969-1303	Assistant Chief Jim.Eden@cityofls.net	Approved with Conditions
--------------------	----------------------------	--	--------------------------

1. All issues pertaining to life safety and property protection from the hazards of fire, explosion or dangerous conditions in new and existing buildings, structures and premises, and to the safety to fire fighters and emergency responders during emergency operations, shall be in accordance with the 2012 International Fire Code .
