From: Gene Williams, P.E. Senior Staff Engineer

Application Number: PL2016122

Application Type: Engineering Plan Review

Application Name: Summit Orchard Water Line

The Public Works Department has received a copy of the MDNR construction permit and payment in the amount of \$4,549.77 for the engineering plan review and inspection fee and therefore approves the engineering plans dated and sealed on July 22, 2016 for the above referenced project. The following conditions must be satisfied:

1. **Contact Steve Robbins of Public Works Inspections at (816) 969-1800 at least 48 hours prior to the onset of construction.**
2. Contact the Right-of-Way Inspector at (816) 969-1800 prior to any land disturbance activities within the rights-of-way. These activities may require a permit.
3. Any public improvements will require a set of record drawings in electronic (i.e. TIF file) format prior to the issuance of a Certificate of Final Acceptance. One (1) half-size (11"x17") set of record drawings (including the Master Drainage Plan) and two (2) copies of the record drawings on CD ROM are required.
4. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.
5. Please be aware that all MDNR close-out documents must be submitted prior to issuance of a Certificate of Substantial Completion. Evidence that these documents have been submitted include copies of all correspondence sent to the MDNR at project completion, and an email from the engineer stating that the documents have been sent.

If you have any questions or comments, please contact me, Gene Williams either at (816) 969-1812 or e-mail to Gene.Williams@cityofls.net.

Sincerely,

Original Signed

Gene Williams, P.E.
Senior Staff Engineer
