RE: Intent To Serve Meridian at View High Apartments

Mrs. Thorne:

The proposed development on Meridian at View High Apartments, Lee's Summit Missouri resides within the service area of the City of Lee's Summit Water Utilities. We currently provide water and sanitary sewer services to the areas surrounding the proposed development and have the capacity and intent to provide these services to the new development. Our system is installed adjacent to the new development and when the time comes to extend service into the site we will work with development contractors to ensure that they have access to these services.

If you should have any questions please do not hesitate to contact me at (816) 969-1922.

Regards,

Jeff Thorn, PE
