Site Lease dated October 25, 1996 as Amended ("Lease")  
Consent for Modifications-Sprint

Dear City Manager:

As you are aware, STC FIVE, LLC by and through Global Signal Acquisitions III LLC is the Lessee under the above referenced lease. STC FIVE LLC is a Crown Castle Company. Lessee is the owner and operator of share wireless communication facilities.

In order to better serve the public and minimize the amount of towers in an area where this property is located, and/or improve the financial viability of the site, Lessee plans to modify *Sprint's* equipment at the wireless communication facility. The modification will require Sprint to Add (3) antennas; (6) RR"Us; (1) Line; (2) MW's and associated equipment. There will be no modification to the ground space and no increase of height or compound size. The overall appearance of the tower will not be significantly affected.

Pursuant to Section 13 of the Lease, Lessee is required to obtain your consent, which is not to be unreasonably withheld. Lessee, therefore respectfully requests your consent for modification.

Please indicate your consent by executing this letter where indicated below and return in the enclosed self-addressed envelope. If you have any questions concerning this issue, please contact me at (314) 513-0145 or [Darci.Grimmer@crowncastle.com](mailto:Darci.Grimmer@crowncastle.com).

Sincerely,
