**RE: Application for Plan Check for Existing Wireless Communication Facility Upgrade
Site Address: 202 East Third Street, Lee's Summit, Missouri 64063
AT&T Site FA# 10000343_Green_PACE# MRKSL023251**

Dear Mr. Frogge,

Enclosed please find AT&T's completed Final Development Plan application with checklist, four (4) sets signed and stamped 11 x 17 construction drawings dated 01/25/2018 and two (2) sets of the signed and stamped structural calculations dated 01/22/2018 for the above-referenced address. The cost of construction is \$20,000. I have enclosed check # 35124969 in the amount of \$600.00 for the plan check fees.

I have also enclosed the legal description of the property and a Certificate of Liability Insurance with the City named as Certificate Holder. The Federal ID for Overland Contracting, Inc. is 48-1192113, and our Lee's Summit license number is 20165662.

AT&T is proposing to upgrade its existing wireless communication facility at the above referenced address.

Once your review is complete, please contact me to arrange for the permit pick up.

If you should have any questions, concerns, or require any additional information, please feel free to contact me at 702-283-4367 or via email at busic-boggiom@bv.com. Thank you very much for your attention to this matter.

Sincerely,

Marta Busic-Boggiom
