**Electronic Plans for Resubmittal**

All Planning application and development engineering plan resubmittals shall include an electronic copy of the documents as well as the required number of paper copies.

Electronic copies shall be provided in the following formats:

- Plats – All plats shall be provided in multi-page Portable Document Format (PDF).
- Engineered Civil Plans – All engineered civil plans shall be provided in multipage Portable Document Format (PDF).
- Architectural and other plan drawings – Architectural and other plan drawings, such as site electrical and landscaping, shall be provided in multi-page Portable Document Format (PDF).
- Studies – Studies, such as stormwater and traffic, shall be provided in Portable Document Format (PDF).

Please contact Staff with any questions or concerns.

**Excise Tax**

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Development Services Department at (816) 969-1200.

**Review Status:****Required Corrections:**

1. SECTION 106 REVIEW. Due to the water tower being located within Longview Farm, which is a listed property on the National Register of Historic Places, the proposed equipment improvements are subject to a Section 106 review under the National Historic Preservation Act prior to approval of the proposed improvements. Please use the following link to see the Section 106 Review information under the Missouri Department of Natural Resources website to undergo said review process: <https://dnr.mo.gov/shpo/sectionrev.htm>.

2. PROOF OF INSURANCE. Provide proof of general liability insurance for claims from injury or death and property damage in an amount approved by the City, but not less than \$2,000,000.00 per occurrence for personal injury and \$2,000,000.00 per occurrence for property damage with the City listed as an additional insured.

3. INSPECTION REPORT. Provide a copy of a physical inspection report for the water tower current within the last three years.
