Comment Response to Engineering Plan Review**

Dear Ms. Pyles:

Kaw Valley Engineering, Inc. (KVE) has received review comments dated February 6, 2019 regarding the above referenced project. KVE has prepared the following in response to the comments pertaining to plans and/or other documents submitted by KVE (in red):

**Engineering Review**

1. Sheet C-1:
  - Verify the quantity of 8" sanitary sewer main in Summary of Quantities, it appears incorrect. **Revised**
  - Include items for erosion and sediment control in the Summary of Quantities. **Added**
2. Sheet C-3: Label the sanitary sewer upstream of MH D-2 as private. **Revised**
3. Sheet C-4:
  - Label removal and replacement of MH A-1 in both Plan and Profile views. **Revised**
  - Show the water line crossing between MHs A-1 & A-2 in the Profile view. **Revised**
4. Sheet C-5:
  - The "Proposed Water Line G" label is incorrectly located in the Plan view. **Revised**
  - Relocate the easement label that is overlapping the MH A-11 text in the Plan view. **Revised**
  - There is a lot of overlapping text around MH A-2 in the Plan view. Please relocate for clarity. **Revised**
5. Sheet C-8: The storm sewer crossing information between MHs C-1 & C-2 in the Profile view is not the same format as all of the other crossings. Please revise to match the format used elsewhere. **Revised**

6. Sheet C-11:

- Revise the Construction Entrance detail number to match the detail included in the plan set. **Revised**
- ESC-04 is shown as the detail number for straw wattles, but it is not included in the plan set. **Revised**

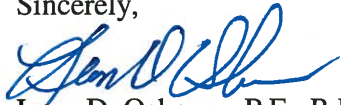

7. Submit an Engineer's Estimate of Probable Construction Costs. **Under separate cover.**

**KVE added legend to Title Sheet.**

**KVE added survey control to General Layout Sheet.**

If you have any questions or would like additional information, please do not hesitate to contact me at (785) 762-5040.

Sincerely,

Leon D. Osbourn, P.E., R.L.S.
