

A photograph of a residential street. In the foreground, there is a grey asphalt road. A wide, light-colored concrete driveway leads from the road towards a single-story house in the background. The house has a grey roof, white trim, and two white garage doors. A silver car is parked in the driveway. Large, leafy green trees are on both sides of the driveway. On the right side of the driveway, there is a large, dark green trash bin with a white label that reads "CONSTABLE SANITATION" and a phone number. To the left of the driveway, there is a blue trash bin. The sky is blue with some white clouds.
