Re: 2001 NW Shamrock Ave, Lee's Summit, MO 64081
Application #: PL2019246 – Dialysis Clinic Inc.

Dear Mike,

This letter is to confirm that as required by the city a neighborhood meeting was held on Thursday, September 19, 2019, which was to afford any members of the community the opportunity to receive more information concerning the development at 2001 NW Shamrock Ave. I was in attendance as well as Michael VanBuskirk of Capital Markets and yourself. No neighbors came to the meeting.

Sincerely,

A handwritten signature in blue ink, appearing to read "RD", followed by a long horizontal line.
