Application Number: PL2019214

Application Type: Engineering Plan Review

Application Name: THE PRINCETON - SE OLDHAM PKWY - WATER MAIN EXTENSION

The Development Services Department has received payment in the amount of \$8,372.54 for the engineering plan review and inspection fee and therefore approves the engineering plans dated and sealed on Aug. 15, 2019 for the above referenced project. The following items are conditions of approval:

1. **Contact John Jackson of Development Services Inspections (816) 969-1200 at least 48 hours prior to the onset of construction.**
2. Any public improvements will require a set of record drawings in electronic (i.e. multi-page pdf file) format prior to the issuance of a Certificate of Final Acceptance. Paper review copies shall be required prior to submittal of the final electronic version.
3. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.
4. All MDNR close-out documents must be submitted to the MDNR prior to issuance of a Certificate of Substantial Completion. Evidence that these close-out documents have been submitted include: 1) an email from the engineer stating that the close-out documents have been submitted to the MDNR, and 2) copies of all documents submitted to the MDNR.

Please contact me if you have any questions or comments.

Sincerely,

Original Signed
