Excise Tax

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Development Services Department at (816) 969-1200.

1. Please refer to the previous comment letter concerning horizontal separation between trees, and sanitary sewer lines and structures. Tree 1-HL is shown within approximately 3 feet from the outside of the mature tree trunk, to the outside of the manhole. A minimum of five (5) feet is required. If allowed by Planning staff, it will be acceptable to Engineering to eliminate this tree. Moving the tree closer to the parking lot appears to be impracticable.
