Vehicle Display Setback

- Required - 20' from north (rear) property line
- Proposed - 17'-11" from north (rear) property line
- Recommended – Staff supports a modification to allow a 17'-11" setback from the north (rear) property line.

- Auto sales and auto detailing are allowed in CP-2 zoning district with a special use permit and by right, respectively.
- Proposed uses are consistent and compatible with surrounding uses. Six (6) auto dealerships exist in the general area.
- Commercial uses are compatible with the recommended commercial land use in the Comp Plan.
- Requested 30-year time period for SUP is consistent with previously approved 20-30 year time periods for similar uses on new construction projects.

1. A modification shall be granted to the 20' vehicle display area setback requirement, to allow a 17'-11" setback from the north property line.
2. Submittal of a geotechnical report to the City for the reclaimed pond site shall be required prior to the issuance of any building permit.
3. The development shall comply with the recommendations included in the TIA dated May 4, 2020, prepared by Brad Cooley, City Staff Engineer.
4. The special use permit shall be granted for a period of 30 years.
