Shannon:

Please find our responses to your comments below regarding the Sequoia Final submitted to you for review in June 2020. The revised Final Plat is enclosed. The document has been updated to address the comments we received as follows:

Planning Review – Approved with Conditions

- 1) Please label the required 5' sidewalks.
RIC Response: Required 5' sidewalk has been labeled.

GIS Review - Corrections

- 1) Because you added curved along Orchard Ct, please list distances on either side of the street centerline on east side of plat boundary.
RIC Response: Distances on either side of the street centerline listed for the east side of the plat boundary.

Please feel free to contact me with any questions or additional comments.

Thank you,
