---

The Development Services Department has received payment in the amount of \$11,711.20 for the engineering plan review and inspection fee and therefore approves the engineering plans dated and sealed on September 15, 2020 for the above referenced project. These plans were initially received by our department on August 31, 2020. The following conditions must be satisfied prior to the start of construction.

- 1. Contact Development Services Inspections (816) 969-1200 at least 48 hours prior to the onset of construction.**
2. Note that any improvements installed over City utilities or within City easements will not be repaired or replaced if future utility maintenance is required, including, but not limited to, pavement, curbing and guttering, landscaping, trees, shrubs, or other items.

Please contact me if you have any questions or comments.

Sincerely,

Sue Pyles, P.E.

Senior Staff Engineer
