## Excise Tax

---

On April 1, 1998, an excise tax on new development for road construction went into effect. This tax is levied based on the type of development and trips generated. If you require additional information about this development cost, as well as other permit costs and related fees, please contact the Development Services Department at 816-969-1200.

## Voluntary Residential Development Surcharge

In a combined effort with both the R-4 and the R-7 School Districts the City of Lee's Summit is working together to educate the development community on a new program, the "Lee's Summit Voluntary Residential Development Surcharge." This is a program which will help raise capital to build new schools for our community. Brochures are available at the front counter of both the Development Services Department.
