1. The total number of cul-de-sac lots in a subdivision shall be no more than 10% of the total number of lots in the subdivision. As I calculate it, the addition of lots 79-86 to the overall Osage subdivision put the total number of cul-de-sac lots at 12.6%. Please provide a narrative statement that explains the need for modification of the applicable zoning district regulations. Please ensure the narrative includes a justification for the request.

2. Please add a note to sheet A-1 indicating area in square feet of the proposed units.

3. Please add a note to sheet A-1 indicating the building height.
