Signature

Textured Wall Panels

(STK 2000, STK 3000) (STK 2500)

- Signature panels are available in 24 standard textured colors and a variety of custom colors.
- The profile is a tongue and groove system with hidden fasteners. One of the strongest wall panels at 20 gauge, stands up to harsh environments while offering a 20 year warranty against fade and chalking.
- **The customer will receive the look of stucco with the strength of steel.**
- Signature wall panels are easily applied by those persons erecting the building structure. This alone saves you money and eliminates the need for additional contractors on site, along with possible delays due to scheduling.
- Year round installation without tenting for heat will also save expense to the project.
- Signature wall panels are manufactured to your building specifications resulting in lower cost of erection and more timely completion of your project.
- The Signature textured panels are the perfect choice for new construction and renovation projects of all sizes.
